### **UNDERTAKING**

I hereby undertake that the fishing materials & life saving appliances which are going to be supplied to me on subsidized rate will not be disposed or misused for at-least 5 years without the specific permission of the Director of Fisheries in writing. In case I fail to do so, the Director of Fisheries will have the right to recover the amount of subsidy allowed to me on supply of the above items.

I also undertake that the fish catch landed by me will be sold out to the public as per the rate fixed by the Fisheries Department / Administration.
